RICHMOND HILL

Legacy Hill: A Higher Standard of Living

Legacy Hill is a new premier series of 36' and 40' single family homes by Greenpark Group coming to Richmond Hill.

Featuring expansive layouts and a stunning selection of features and finishes, these homes are built with exceptional attention to detail, premium materials, and craftsmanship that is characteristic of one of the most elite homebuilders in the Greater Toronto Area.

This is where you write the next chapter of your legacy.

Amenity-Rich Area, A Legacy Community

Legacy Hill is adjacent to Bayview Hill, an upscale neighbourhood with cachet that extends back decades. Here you'll have access to world-class schools, unique recreational amenities like the Richmond Green Sports Centre and Park, exceptional shopping, and a diverse range of wonderful restaurants from a wide variety of cuisines.

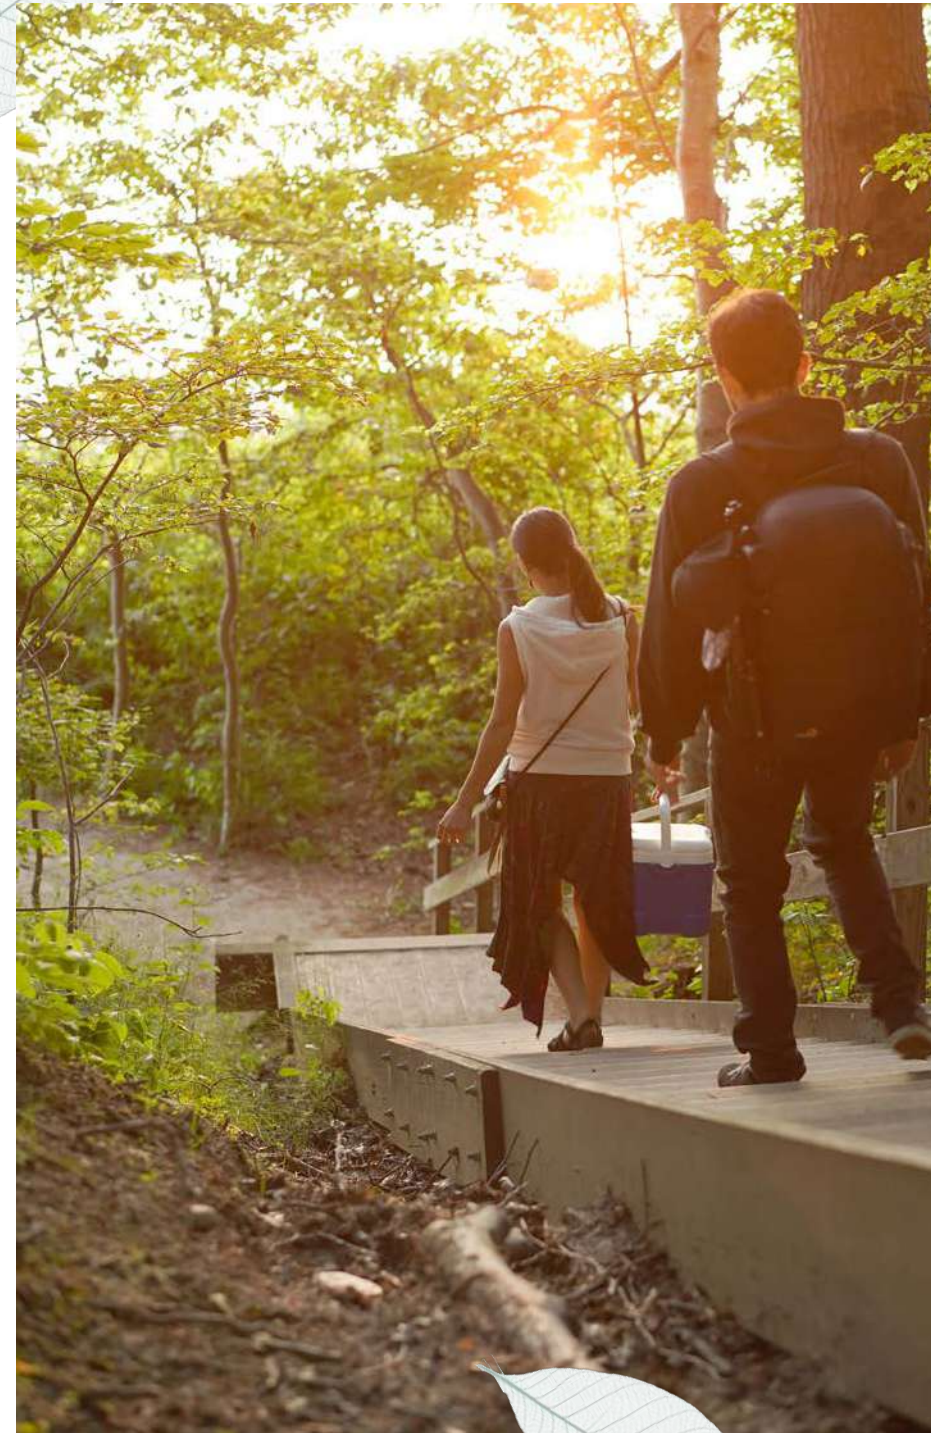

The Richmond Hill GO station is only moments away, as well as Highway 404, which can take you downtown.

In addition to the wide range of services nearby, Mackenzie Health Hospital is only minutes west on Major Mackenzie.

Exceptional shopping

Abundance of parks and trails

Exquisite dining options

Easy highway access

Nearby hospital

Conveniently close to GO Transit

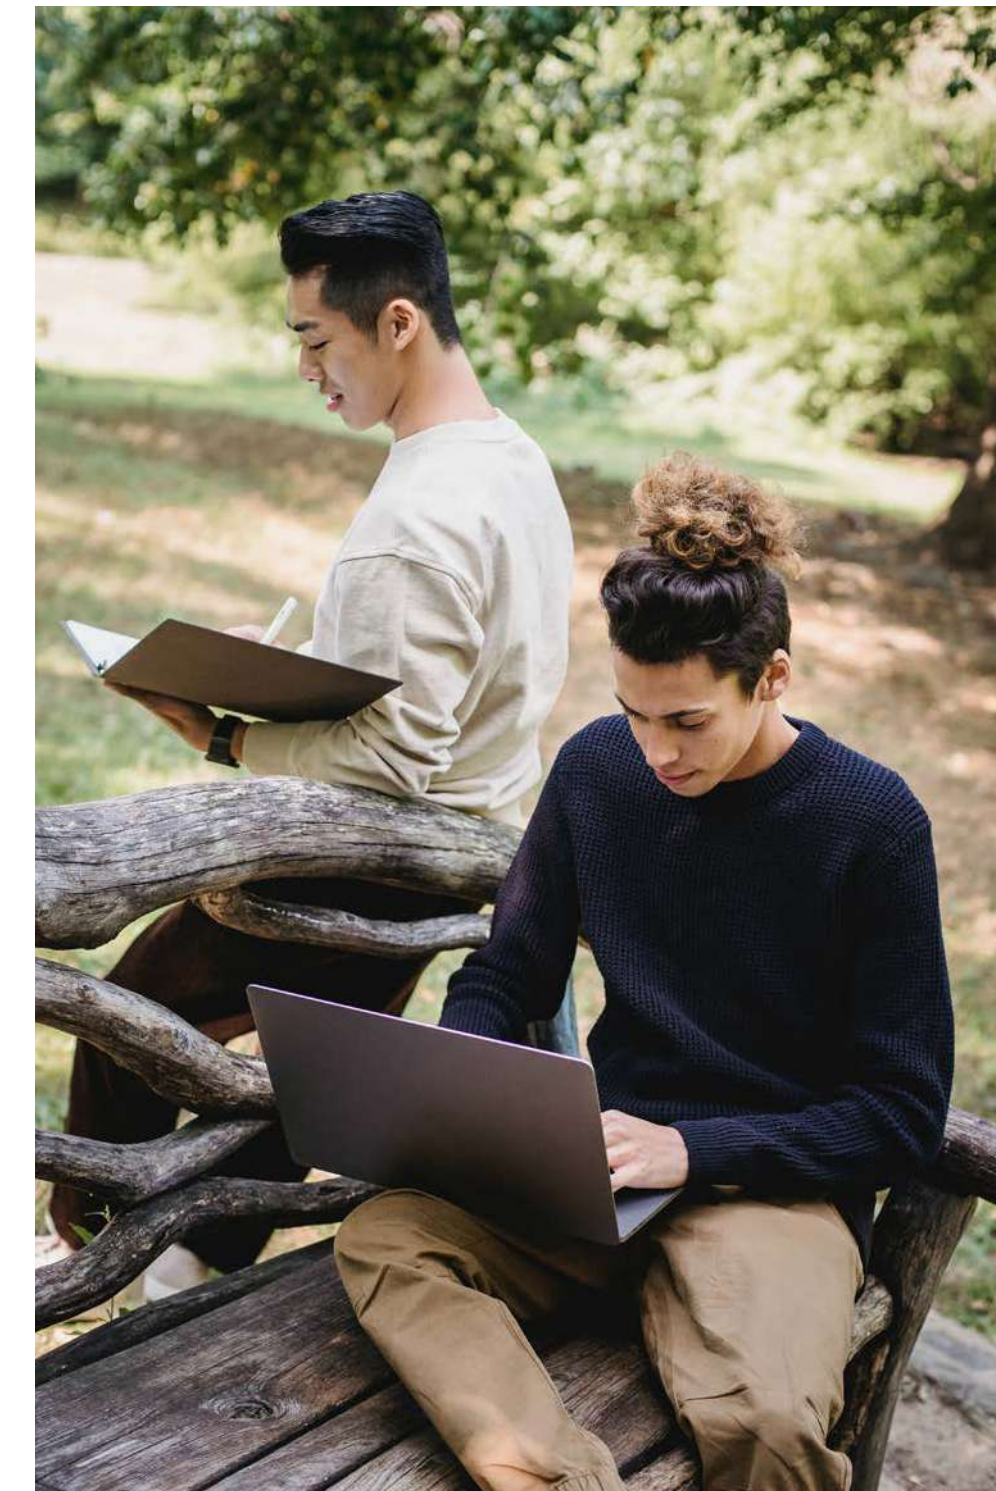

Canada's Best Education

An investment in this area is also an investment in the future. The schools in Legacy Hill's neighbourhood have been independently ranked among the top schools in the country. That includes not only private schools but also the public schools that your children might attend as members of the community.

The People's Builder Since 1967

Princess Margaret Lottery Home
King City, ON

Since 1967, over 82,000 families have chosen Greenpark for their most important investment. That's more than just a number it's a statement of trust. Each of those buyers trusted us to deliver the quality home they deserve, and the lifestyle they desire.

Every new community we build benefits from over 55 years of excellence in design and construction. We would be proud to build your new home.
